

## Some English Activities

*Students had to create a new planet inside a shoebox and picture how life might be there, which animals might live there, how the surface might be and some features this planet might have.*

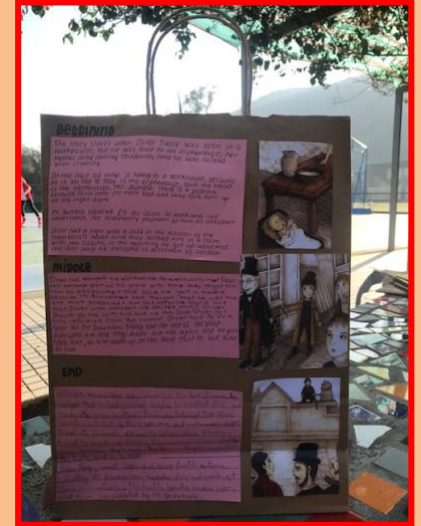

*As final term project students had to advertise a celebration in their city, creating a poster with the required information, ticket and souvenir.*

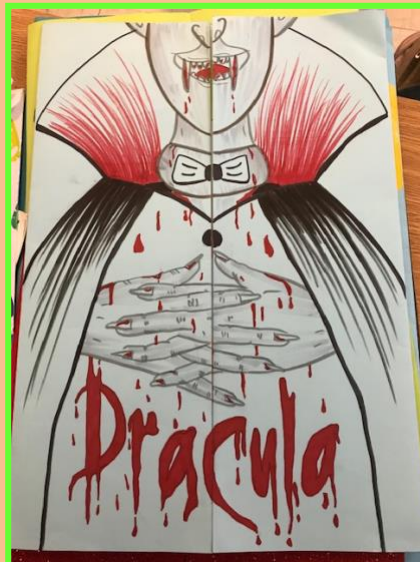

**As final First Term project students had to create a STORY BAG based on the book “Oliver Twist”, describing characters, plot and giving opinions about the book. Also, they added inside the bags objects to help them to re-tell the story to their classmates.**

**Creativity is the key! 9<sup>th</sup> graders had to read the classical book “DRACULA” and as a final term project, they created a “LAPBOOK” based on the story. The aim was to show in a very attractive and colorful way the plot, characters and pictures related to the story.**

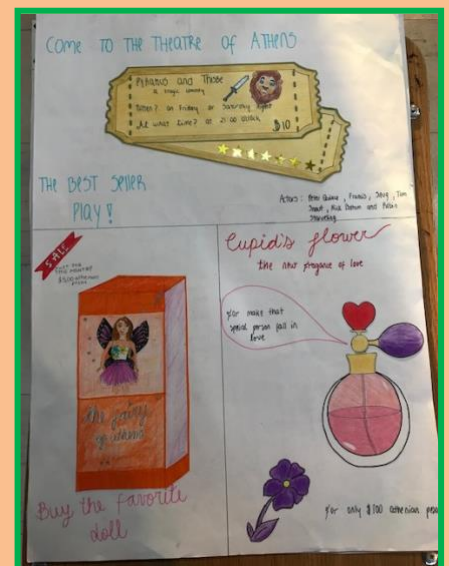

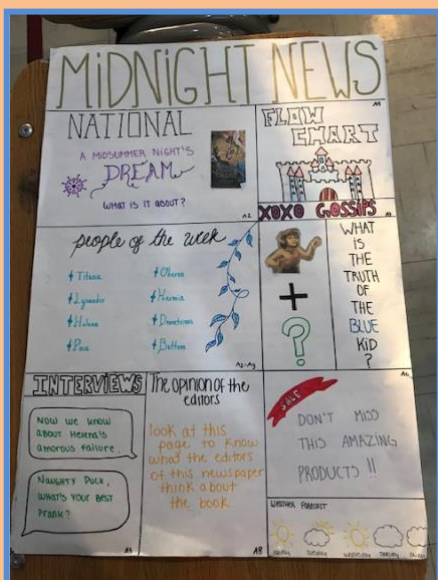

**"HEALTHY COOKING BOOK"** was the name of 9<sup>th</sup> grade first term project. Students used their imagination to elaborate different healthy recipes describing the cooking process, ingredients and a catching slogan for each meal.

Based on the novel **"Midsummer Night's Dreams"** by Shakespeare, students had to create and produce a Newspaper that showed all the main elements of this great story including different section similar to a real newspaper.

*School years are almost over.... As part of their final year project our students from 12<sup>th</sup> grade and together with Arts and Music Departments had to create a CD cover or a Fanzine of free topic, expressing their personal ideas and preferences.*
